

WORKING DOG SEMINAR REGISTRATION FORM

Monday, May 11, 2009: 10am-11:30 am

Tuesday, May 12, 2009: 12-3:00 pm

Thursday May 14, 2009: 2-3:30

So, your Mastiff has finished its Championship, NOW WHAT??

Have you ever wondered about Carting or Freestyle with your Mastiff? Do you wonder how to motivate your dog for performance events? Or how can you pick the right puppy that will excel in sport? Now is your chance to find out more and see which events might be a good fit for you and your mastiff! Sign up for one or all of the Seminars hosted by the MCOA Working Dog Committee. Mastiffs are a Working breed after all and really need a job to do! Let our experts show you how to get started training for these events and show you what the finished product looks like. These are hands on seminars- so come prepared with treats and toys. Last year we went through an unbelievable amount of treats, but much progress was evident at the end. Please do your part and bring some high value food rewards for your dog and a toy if that is their thing.

Monday, May 11, 2009 **10 am-11:30am: Selecting a Performance Puppy/Litter Evaluation**

Tuesday, May 12, 2009 **12 noon-1:30 pm: Introduction to Carting**

1:30 pm-3 pm: Introduction to Freestyle Obedience

Thursday, May 14, 2009 **2-3:30 pm: Performance Games to Play with your Dog/Puppy**

These seminars are FREE and open to anyone, any age (within reason). Puppies must be at least 6 months of age. **You can attend with or without a dog.** We need to be prepared with enough space and handouts for everyone. All seminars meet in the Rec Hall at the indoor ring. Some may move outdoors. To reserve your space in these seminars, fill out the form below and mail to Becky Campbell at the address below by 4/15/09.
