

## RV Parking Information and Reservation Form

RV Parking Reservations open on October 15, 2008. Spots will be assigned on a first received basis. There are 13 RV sites with no hookup in Fontana Village near the show site, and there are 20 sites in Fontana Village campground which is approximately 1.5 miles from the show site. 10 of our In Village sites are near the rings, and three of them are approx. 1/4 mile away off of Welsh Rd- the road into the village. In village RV's are welcome to bring a golf cart.

There 10 spaces with full hookup are in Fontana Campground. These are 1.5 miles from the show site at the base of Fontana Dam. There are also 10 spots with no hookup. You must have a tow vehicle to bring your dogs to and from the show site if you are in the campground. The road to the Village is not navigable with a golf cart and it is not legal to have a golf cart on Hwy 28. We will provide a reserved ringside parking spot for your tow vehicle if you are in the campground- but no RV's may be used to transport dogs to and from the rings and day park on site. RV's may not arrive prior to noon on Saturday, May 9, 2009 and must be off site by noon on Monday, May 18, 2009. Proper disposal of pet waste is expected in the campground and RV area and it will be inspected by our grounds committee.

Fees are: \$40.00 per night for full hookup in the campground and \$35.00 per night for in village sites without hookup. \$25 per night in the campground with no hookup.

Questions? Direct to Vicki Hix 941-776-0853 or email [oakmast@aol.com](mailto:oakmast@aol.com);

If you send via overnight, please check no signature required. We will email you your location, and will send you parking directions several weeks prior to the show.

### RV Parking Form

Complete this form and mail with check payable to MCOA for entire amount to:

**Vicki Hix 4301 96<sup>th</sup> Avenue East, Parrish, FL 34219 (opens 10/15/08)**

Name: \_\_\_\_\_

Address: \_\_\_\_\_
